

PDE

Portable, Electric-Powered, Direct-Drive, Cold Water Pressure Washer

- Up to 3.5 GPM, 2000 PSI
- Tri-plunger Direct-Drive Pump
- Industrial-Grade Motor
- 120V and 230V
- Detergent Injection

▲ Easy access industrial-grade, heavy-duty **Two-Position Switch** for ease in turning the power on and off.

■ A 36 ft. **Electrical Safety Cord** with ground fault circuit interrupter for safety.

■ Oil-bath, forged brass, tri-plunger **Direct-Drive Pump** has a 7-year warranty on oil end of pump.

■ Five quick-couple **Nozzles** are made of hardened stainless steel and are color-coded for easy selection of spray pattern.

■ 50 ft. of steel-wire braid **High Pressure Hose** rated for up to 3000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Swedge Fitting** for ease in handling hose.

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with detachable, two-piece, insulated **Spray Wand** make for easy point-and-shoot cleaning action.

■ **Illustrated Labels** with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.

■ **Industrial-Strength Motor** with full service factor and solid performance for years of service.

■ Convenient **Hose and Gun Hanger** makes for easy storage of hose and trigger gun.

■ There are many **Safety Features**, including a thermal pump protector to prevent the buildup of excessive heat.

■ 1¼-inch **Chrome Handles** on front and back make for easy loading and unloading.

■ Water resistant **Electrical Box** for added safety and easy servicing.

■ Quick-couple **Detergent Injector** for easy low pressure application of soap.

■ **Inlet Filter** screens debris from entering and damaging the pump.

■ Durable pressure-trapping **Unloader** diverts water flow when trigger gun is not activated.

■ 10-inch 4-ply, tubed **Pneumatic Tires** make for easy maneuvering on any terrain.

■ Two **Rubber Pad Feet** absorb vibration for long life and to keep the unit from "walking".

■ Rugged 10-gauge steel **Chassis** is protected by an all-weather, epoxy powder coat finish.

WHY CHOOSE THE PDE

The PDE is a heavy-duty, electric powered, cold water pressure washer unit offering four models with cleaning power of up to 2000 PSI.

QUALITY: Only the highest quality components are used on the PDE, including a high-pressure pump with limited 7-year warranty, industrial-duty motor, durable steel frame and insulated point-and-shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PDE has a 24-inch hose guard for burst protection and pictogram operating instructions for owner liability assurance.

CONVENIENCE: There are a number of features that make the PDE especially popular with users who seek to reduce their cleaning time. For instance, there are handles on both front and back for easy vehicle loading as well as a handy hose-and-gun holder. The two tubed, pneumatic tires make for easy maneuvering in any terrain and there are two shock absorbing rubber feet to keep the PDE from “walking” while in operation.

Model #	Part #	GPM	PSI	Pump RPM	Motor HP	Volts	Phase	Amps	Ship Wt (lbs)
PDE2-11024D	1.106-003.0	2.0	1000	3450	1.5	120	1	15	95
PDE2-15024D	1.106-004.0	1.8	1300	3450	2.0	120	1	20	153
PDE2A-14024D*	1.106-106.0	1.8	1350	3450	2.0	120	1	17	170
PDE4-20024A	1.106-005.0	3.5	2000	3450	5.0	230	1	20	170

* PDE2A-14024D comes equipped with Auto Start/Stop, two yellow nozzles, two green nozzles, and a variable pressure wand. Contact your local dealer for more details.
