

# PE

## Portable, Electric-Powered, Cold Water Pressure Washer

- Up to 4.8 GPM, 3000 PSI
- Belt-Drive Pump with 7-Year Warranty
- Industrial Strength Baldor Motor
- Detergent Injection

◀ **Belt Pulley System** with notched V-belts and cast iron pulleys reduce belt slippage and offer longer belt life with cooler operation.

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with stainless steel, insulated, easy-grip **Spray Wand** make for easy point-and-shoot cleaning action.

■ Helpful **Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

■ Many **Safety Features**, including a thermal pump protector to prevent the buildup of excessive heat and a high-impact belt guard for operator protection.

■ Convenient **Hose/Gun Hanger** for carrying and accessing hose and gun.

■ 1¼-inch chrome-plated **Handles** on front and back for convenience in vehicle loading and unloading.

■ 50 feet of steel-wire braid **High Pressure Hose** rated for up to 6000 PSI with 24-inch **Hose Guard** for burst protection and **Swivel Crimp Fitting** for tangle-free handling of hose and trigger gun.

■ Durable pressure-trapping **Unloader** diverts water flow when trigger gun is not activated.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°.

■ Easy-to-attach **Detergent Injector** for easy application of soap.

■ Oil-bath, forged brass **Belt-Drive Pump** has a 7-year limited warranty on oil-end of pump.

■ Two spring-loaded **Rubber Pad Feet** absorb vibration for long life and keep the unit from "walking".

■ Water resistant **Electrical Box** for added safety and easy servicing.

■ Rugged 10-gauge steel **Chassis** is protected with all-weather-resistant epoxy powder coat paint.

■ Industrial-duty **Baldor Motors**, 2 to 10 HP, with full service factor provide unsurpassed reliability.

■ Four-ply, 13-inch tubed **Pneumatic Tires** make for easy maneuvering in any terrain (PE3-11024D uses 10-inch tires).

## WHY CHOOSE THE PE

The PE is the beefiest unit of our belt-drive, cold water pressure washer line offering ten models with cleaning power of up to 3000 PSI.

**QUALITY:** Only the highest quality components are used on the PE, including our tri-plex high-pressure pump with 7-year warranty, industrial-duty Baldor motor, durable steel frame with welded seams, and a stainless steel point-and-shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PE has a 24-inch hose guard for burst protection and tri-lingual operating instructions for owner liability assurance.

**CONVENIENCE:** There are a number of features that make the PE especially popular with users who seek to reduce their cleaning time. For instance, there are chrome-plated handles on both front and back for easy vehicle loading. The two leak-free, tubed pneumatic tires make for easy maneuvering in any terrain, and there are two shock absorbing, spring-loaded rubber feet to keep the PE from "walking" while in operation.

Model #	Part #	GPM	PSI	Pump RPM	Motor HP	Volts	Phase	Amps	Ship Wt (lbs)
PE2A-15024D*	1.106-105.0	1.8	1500	1650	2.0	120	1	21	193
